

# LEARNER FUNDING OVERVIEW

## LEARNER FUNDING OVERVIEW

[Learner Funding Advisors \(LFAs\)](#) will work with prospective learners individually to explore options to pay the cost of their education. Learners should make all financial arrangements prior to the first day of every semester to prevent a hold on the learner's records. Records holds may prevent future course registration, program re-entry, or admission to another program within the College.

Learners and their families are responsible for planning and paying for college. Learner Funding includes resources such as scholarships, prepaid college savings plans, personal savings, personal income, and institutional, state, and Federal Student Aid (FSA).
